

annually for pesticide regulatory violations over the past 5 years. Under current federal law, these fines and penalties collected from lawbreakers in the pesticide industry revert to the U.S. Treasury.

My Farmworker Pesticide Safety Act would instead direct these fines toward the USEPA's three major pesticide safety grant programs, at no additional cost to taxpayers, growers, or the pesticide industry. This means my bill would provide an average of \$4.15 million per year in additional USEPA grant funding.

In 2019, Congress passed the Pesticide Registration Improvement Extension Act of 2018 (Public Law 116–8) reauthorizing the fee schedule for pesticide registrations with the USPEA through the end of fiscal year 2023. I look forward to working with Chairman SCOTT and all members of the Committee on Agriculture to include the Farmworker Pesticide Safety Act in the next PRIA reauthorization.

HON. MATT CARTWRIGHT

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor former athlete and northeastern Pennsylvania native Dr. Michael Portonova. Michael was inducted into the Luzerne County Sports Hall of Fame in 2020 for his distinct athletic achievements in the sport of tennis. He and his fellow inductees will be honored at a reception this spring.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the State of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Michael is the son of Michael and Marydonna Portonova. He attended Bishop Haffey High School where he stood out as a star player on the tennis team. While at Bishop Haffey, he compiled a 56–0 regular season NEPTL record. He was a three-time Pennsylvania Interscholastic Athletic Association (PIAA) District 2AA Singles champion and a two-time bronze medalist at the PIAA State Singles Championship. Michael was ranked second in the United States Tennis Association's (USTA) Middle State Section in 2003–2004 and was ranked in the top 30 in the USTA National Boys' 18 and under division in 2003–2004.

He then transferred to King's College in Wilkes-Barre, Pennsylvania, where he held a 71–2 record and an undefeated record in Middle Atlantic Conference (MAC) play during his 3-year career on the team.

For his efforts on the court, Michael was named MAC Player of the Year 3 years in a row (2005–2007), and he was the MAC Champion five times, twice for doubles and three times for singles. He was named to the MAC Conference All-Century Team in 2014.

After graduating from King's College with a degree in pre-medical biology, he went on to

study chiropractic at New York Chiropractic College in Seneca Falls, New York. He completed a clinical residency in Long Island, New York. He owns and operates his own practice, Portonova Chiropractic LLC, as a solo practitioner in Hazleton, Pennsylvania.

It is an honor to recognize Michael on his induction into the Luzerne County Sports Hall of Fame. May his story and athletic career serve as an inspiration to the next generation of Pennsylvania athletes striving for excellence.

RECOGNIZING THE STUDENTS OF JOHNSTOWN CHRISTIAN SCHOOL

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to recognize the students of Johnstown Christian School in Hollsopple, Pennsylvania, for their compassion, work ethic, and community service.

During the school's second annual "Feed the Need" packing party, students labeled, filled, and sealed more than 10,000 packages of nutritious meals to feed children both in Haiti and in the Greater Johnstown region. In total, 8,500 of the meals will reach children in Haiti who are struggling with food insecurity, and the remaining 1,500 will be sent to local organizations that provide services in the Johnstown community. Acts of service like this are invaluable to our Johnstown community both in teaching compassion to our students and in providing help to those in need. I am grateful for the Johnstown Christian School, and it is my hope they continue to be a model for success.

On behalf of Pennsylvania's 13th Congressional District, I thank the students of Johnstown Christian School for their work to help those in need both in their community and in Haiti.
